To Whom it May Concern:

Re: Mt Hutt Lodge – Jo and Butch Stern

Monad Pacific Management is the Body Corporate Secretary/Manager of Mt Hutt Lodge, a mixed use property located in the Rakaia Gorge. We have been Body Corporate Secretary Managers since 1992.

Since 2004 Jo and Butch Stern have been the on-site managers of Mt Hutt Lodge and have very successfully managed the Lodge on behalf of its owners since that time. Portion of the property operates as a timeshare resort. Jo and Butch have always been enthusiastic, hardworking and committed to the Lodge and in our view have substantially helped raise the profile of the Lodge over the years. Due to Jo and Butch, the Lodge has been the consistent recipient of industry awards for hospitality and maintaining high standards and as a result of these awards Mt Hutt Lodge has a high rating within the Australasian timeshare industry which is an outstanding achievement.

We are delighted to support the nomination of Jo and Butch and the Lodge to the Best Tourism Business in the Selwyn District.

Yours Sincerely
